Cobra Tools

Our Cobra Tools provide tough tool performance at a great value price point. Cobra Tools deliver dependable, hard-working drain cleaning and plumbing specialty tools.

Drain Cleaning Power Machines

10 Series

Cleans 3/4-3 in. lines

For most sinks, showers and tub drains

- Hand-held electric spinner
- Double insulated drill motor
- Music wire with high impact, rust proof plastic drum

20 Series

Cleans 3/4-3 in. lines with 1/4 in. cable

For most sinks, showers and tub drains

- High-torque, double insulated drill motor
- Industrial grade pneumatic foot switch
- Rugged 9 in. rotational molded drum with quick drum release
- Contour welded steel tubular frame construction
- Music wire cable

40 Series

Cleans 2-4 in. lines

For most sinks, floor drains and roof stacks

- 1/3 HP Motor with forward – off – reverse switch
- Manual overload reset protector and in-line GFI
- Industrial grade pneumatic foot switch
- Rugged 13 in. corrosion-resistant molded cable drum
- Music wire with inner core
- Slotted end cable
- Includes 4-piece cutter set

Drain Cleaning Hand Tools – Augers & Sewer Rods

Augers

From homeowner to professional, tradesman and the industrial pro, choose the auger best suited for the job.

Pipe Augers feature:

- High grade, high carbon round spring steel wire
- Galvanized torque-twist steel handle with spin speed grip
- Integrated corkscrew open-wound boring head

Toilet Augers feature:

- No-slip grip handles
- Safety guide tube

Drum Augers feature:

- High impact polymer housing - long lasting durability
- Screw construction
- Series 84000 and 86000
- Quick-lever cable lock
- Pistol grip for better control

Sewer Rods

Our 50000-71000 series sewer rod fit all size sewer drain pipes. The 95000 series are best suited for sewer outlets, stack vents and storm gutters.

Plungers

Unclog obstructions in a toilet's trapway to maintain proper flushing capability. Cobra offers a full line of toilet plungers, from the E-Z Plunger, bellow and force cut styles.

The bellows plunger's strong two-piece poly construction is designed for household toilets and drains. Our force cup plungers are made of wood handles and non-marking rubber force cups.
